

The UK's **Border & Protocol Delivery Group (BPDG)**
and **DIT Europe South**

Are pleased to invite you to the

**“BPDG/British Embassies in Southern Europe - Regional
Industry Day”**

Wednesday 3rd November 2021 from 09:00-11:00 UK time

This webinar will outline the processes for moving goods between Great Britain (GB) and the EU, including the new GB procedures to be introduced from 1 January 2022 and 1 July 2022.

The event will provide practical details about moving goods between the EU and GB, covering procedures and systems at the borders and detail about new import requirements in GB.

Guest speakers will include specialists from the UK's Border and Protocol Delivery Group, HM Revenue and Customs, the Department for the Environment, Food and Rural Affairs and the Department for Business, Energy and Industrial Strategy. Following presentations from Government officials there will be a question and answer session.

Please register to join the event [here](#).

The link to the Teams webinar and the agenda will be sent to registered participants before the event.

Please note the event will be held in English.
